

2022 Animal & Me Project

Project Description: This project is designed to provide students with hands-on experience in animal care and management. Participants will be assigned to a mentor who will guide them through the process of raising and caring for a livestock animal. The project will include a variety of activities, such as feeding, housing, and health care. The goal is to provide students with a practical understanding of the responsibilities of animal care and management.

Eligibility: Students must be at least 6th grade and have taken their livestock animal for at least 2 years. Individual assignments will be given to students based on their grade level and the number of animals they are caring for. The project is open to students who are currently enrolled in a school in the state of Ohio.

- 7 mentors with chickens
- 13 mentors with goats
- 5 mentors with chickens
- 3 mentors with sheep
- 6 mentors with goats

Registration: Registration is open to all students who are currently enrolled in a school in the state of Ohio. Registration is free of charge. The deadline for registration is September 15, 2022.
