

Quick Tips for Successful 4-H Enrollment

4-H online is new and improved for 2021! Though the layout is different, most of features are still the same. It is also more mobile friendly – so it is easier to access on a mobile phone or smaller tablet.

The county deadline for enrollment is April 1, 2021 – however, your club leaders may have established an earlier date for club purposes. Please use the steps below to complete your enrollment.

- Visit this direct link to enroll: <https://v2.4honline.com/>
- Returning members/families already have a profile – enter your password from the previous years and log in. Do not create a new profile, call the office if you need help.
- If you or another of your family members are already in the program or have been in recent years – please do not create a new profile.
- The registration process allows you to update personal information annually such as: age, grade, contact information and years in projects etc.
- Years in 4-H and years in projects are for your own records but please be sure to check accuracy.
- Cloverbud members – add project 710GPM Cloverbud Activities: 1
- If you are an 18-year-old member – enroll as youth not as an adult.
- Once your enrollment has been approved, you will not be able to make any changes to your account – all changes will need to be made by contacting the office: williams4h@osu.edu or call 419-636-5608.
