***Quality Assurance**

The Ohio Department of Agricultural is requiring all youth who produce livestock for breeding markets and/or produce a marketable livestock commodity (i.e., milk) to attend a general Quality Assurance program each year. (excluding horses, dogs, rabbits, and small animals) Any youth failing to meet this requirement will not be permitted to exhibit livestock at the Ohio State Fair and The Williams County Fair. (Check 4-H Calendar for dates.) Testing-out is available to youth 12-14 or 15-18.

#99 Market Livestock Record

The first year a 4-H member enrolls in a livestock breeding or market project, are required to purchase and complete the specific book for that project. Year 2 and beyond, members can complete #99 Livestock Record or #190 Equine Record for equine projects. Members are still encouraged to complete additional leadership and citizenship activities each year. Example: First year in beef feeder project – youth would complete 117BF and bring to interview judging. Year 2 and beyond of beef feeder project – youth would complete the #99 Livestock Record. This is the only record book to bring to interview judging. NOTE: If planning to participate in the species-specific livestock records keeping contest at the Ohio State Fair, the official project book must be used.
