

## How will camp be different in 2021?

	<p style="text-align: center;"><b>ARRIVAL / DEPARTURE</b></p> <p>Staff, campers, and family are encouraged to participate in low-risk activities the 14 days prior to camp arrival, and to make note of their health status for COVID-19 symptoms during this period.</p> <p>Curbside check in will be used at the Williams County Fairgrounds. Only one parent/guardian/family member will be allowed to exit the vehicle for drop off and pick up.</p> <p>Upon arrival, campers will complete a health/risk assessment and temperature check.</p>
	<p style="text-align: center;"><b>MASKS</b></p> <p>Masks will be worn by everyone. Exceptions will include: 1) in cabins, 2) while bathing or swimming, 3) while participating in water-related sports, 4) while participating in strenuous activities when 6 feet can be attained AND within their cohort, and 5) when seated and actively eating. Campers will need to bring clean masks to be worn each day and extras will be available as needed.</p>
	<p style="text-align: center;"><b>Camp Pods</b></p> <ul style="list-style-type: none"> <li>• Camp Pods will make up the primary group of campers that do activities together throughout their time at camp. There will be minimal interaction between pods.</li> </ul>
	<p style="text-align: center;"><b>MEALS</b></p> <p>Pods will sit together for meals. Tables will be adjusted to allow for spacing and outside dining will be encouraged when possible. Meal service times may be staggered based on capacity of the dining hall. Some meals may be served in a new format such as a picnic style. As usual, food service will follow all local health department requirements.</p>
	<p style="text-align: center;"><b>GROUP ACTIVITIES</b></p> <p>Large group (all camp) activities will be designed to keep separate pods together and distanced from other pods, provide adequate space, be outdoors as much as possible, and eliminate or reduce shared supplies.</p> <p>Small group activities will be conducted with pods; pods will rotate through programming to ensure proper physical distancing and sanitization protocols can be followed.</p> <p>Camp sessions have been adapted to limit shared supplies, provide spacing, utilize outdoor spaces as much as possible, and give time for hand washing and sanitizing between sessions.</p>
	<p style="text-align: center;"><b>ILLNESS</b></p> <p>Staff members, counselors, or campers with a fever of 100.4 degrees or higher or any other COVID-19 symptoms, such as cough or shortness of breath will receive a refund and not attend camp.</p> <p>Any staff or campers who have been in close contact with someone who has tested positive for COVID-19 or is suspected of having COVID-19 will receive a refund and not attend camp.</p> <p>As usual, campers or counselors who experience any signs or symptoms of illness will be seen by the camp nurse(s) for evaluation. Campers and counselors who experience COVID-19 symptoms will be isolated as a precaution and sent home (picked up by their family member).</p> <p>For individuals who have been vaccinated for COVID-19, please refer to <a href="#">CDC guidance</a>.</p>
	<p style="text-align: center;"><b>SANITATION</b></p> <p>As usual, sanitation of camp facilities will be handled by camp managers and maintenance personnel with increased frequency including dining hall, restrooms, trash cans, pool, camp store, and recreation spaces. Adult staff and counselors will handle increased sanitation of items used such as tables, supplies, and microphone.</p> <p>Hand sanitizing stations will be provided throughout camp for frequent use by campers, counselors, and staff.</p>
