Recreation Leader

Welcome

Congratulations on your new role as your 4-H club's recreation leader! Your club members have bestowed upon you both an honor and a responsibility, and an interesting and fun job! You are being given the opportunity to raise awareness about the 4-H program in your county—the fun your club members are having, the work your members are doing, and the help your members are giving to the community. And, as a 4-H club officer, you represent your club, your county, and the 4-H program throughout Ohio. Good luck!

What is Recreation?

Recreation is doing activities that are fun. They may be active games (moving games) or passive games (sitting games). A good recreation leader uses a variety of active and passive games. Sometimes recreation has a specific purpose, like getting acquainted. Other times recreation can simply provide an opportunity to have fun. Recreation is also a very effective educational tool and gives members a chance to be creative.

What Does Recreation Provide?

- FUN in a club program
- Interest in club meetings
- A chance to learn cooperation
- A healthy outlet for competition
- Mental stimulation
- Opportunities for physical development
- A chance to practice leadership and social skills

Your Role as Recreation Leader

As the club recreation leader, you will:

- Make recreation an important part of your club's meetings.
- Serve as chairperson of the recreation committee, if your club has one. If not, and your club has enough members, it is a good idea to talk to your advisor about organizing one at the beginning of the 4-H year.
- Based on the interests of club members, prepare games or activities for each meeting and lead those games or activities.
- Practice each game or activity before using it at a meeting.
- Teach your fellow club members how to learn from teamwork activities.
- Make sure to have all "equipment" needed.
- Teach the rules of a game or activity.
- Encourage everyone to participate.
- Be sure that all members have FUN!
- Make sure that all facilities are cleaned up following a recreation game or activity.

My Officer Goals

After reviewing this record book and the resource guide, develop a plan for what you will do as recreation leader this year. Select activities from the items listed below. Feel free to be creative and add your own activities.

Activities	Plan to Do (✓)	Plan to Complete By	Date Completed
Plan a recreation activity for each meeting.			
Understand the games you are playing and practice giving the directions to others.			
Plan for a variety of recreational activities, including icebreakers, mixers, active games, or quiet games.			
Plan activities that everyone can do in the space available.			
Discuss with your advisor/officer team the importance of recreation at club meetings to ensure there is enough time allotted before or after the meeting for planned activities.			

Things to Do on Your Own	Plan to Do (✓)	Plan to Complete By	Date Completed
Attend an officer training program.			
Make a poster or exhibit for the club booth.			
Give a speech at a county speaking contest.			
Give a demonstration at a county demonstration contest.
