## **4-H Family Newsletter** – May/June 2019

Dear Williams County 4-H Youth, Families, and Volunteers,

I want to officially welcome our new and returning 4-H families to the program! I look forward to working with you in the future!

Please take time to review the 2019 Williams County 4-H Handbook. Each family should have should have received one of these books at your first or second club meeting. It can also be found on our website at <a href="https://williams.osu.edu/williams-county-4-h-family-handbook">https://williams.osu.edu/williams-county-4-h-family-handbook</a>. This book contains a lot of information including rules, expectations, opportunities, and project requirements.

Starting with this newsletter, we will only be sending families a hard-copy of this newsletter to those who list the US mail as their primary correspondence. Everyone else will be receiving the newsletters via email. We will continue to upload each newsletter to our website as well as to 4honline. If you wish to change your correspondence preference with us at any time, please notify the office of this change. (The exception to this is when we send out the Jr. Fair Entry forms this summer—EVERY livestock family will receive that information through the mail then.)

Please Note: There have been some changes from the initial calendar. Please see the calendar included in this newsletter. Visit <a href="https://williams.osu.edu/program-areas/4-h-youth-development/2019-calendar">https://williams.osu.edu/program-areas/4-h-youth-development/2019-calendar</a> for the 2019 Williams County 4-H Handbook, including the up-to-date calendar.

Sincerely,

Stacey Perry

## **Project Judging**

4-H Project judging events will be here before we know it! Members are reminded to be working on your 4-H projects so you are not overwhelmed at the last minute. Set a goal to cook 2 recipes per week or complete 3 pages per week in your project book. This will make the project experience much more enjoyable for everyone involved. Please be sure to have the correct judging date(s) reserved on your family calendar.

| Project Category   | Judging Date  |
|--|---|
| Miscellaneous Projects – including shooting sports, small animals, creative arts, cake décor, woodworking, etc. (everything that is not livestock) | Evening of Tuesday, July 9 @ Veterans' Building         |
| Food & Nutrition Projects  | Morning of Thursday, July 11 @ Veterans' Building       |
| Clothing projects  | Afternoon/early evening of July 11 @ Veterans' Building |
| Project & judging requirements can be found in the 2019 Williams County Family Handbook  | Exact judging times will be released in June.           |

Project judging is a chance for members to share what they have learned throughout their project, and members are highly encouraged to attend the county-wide judging event. An early miscellaneous project judging will be offered on Wednesday, June 26, from 9:00am-4:00pm. Please contact the Extension office if you will be attending the early judging. Members that do not participate in the county judging on July 9/11 are only eligible for A, B, or C grades, not State Fair or other honors. Members must attend a judging in order to complete the project.

## **Sewing Camp**

Tuesday, June 11

9am – 4 pm; Williams County OSU Extension Office Open to sewing project members in Williams County.

Please contact the office to reserve your spot by June 7.

This is a great chance to work on your 4-H project! Please come prepared with pre-washed material, pattern, sewing box, thread, notions, LUNCH, own machine (if possible), etc. Having an adult attend with you is helpful and encouraged. Donna Missler, Master Clothing Educator, will be available to offer assistance with your project questions. \*\*Please note: There is a possibility that the location may change. If it does, we will be sure to contact those project members.

## **Animal & Me Show**

The third annual Animal & Me Show will be held on **Tuesday, September 10 at 6:30pm** in the Livestock Show Arena. This heartwarming event provides an opportunity for individuals with special needs to experience what it's like to exhibit an animal at the fair. Participants work with Jr. Fair exhibitors (that's you!) and their animal to participate in a special livestock show to share what they have learned. The animal options provided include: calves, sheep, goats, rabbits and chickens.

This year will be our largest yet, as we have doubled our number of participants! Currently, we are looking for 24 Jr. Fair exhibitors to serve as mentors for this experience. Your role as mentor will be to work with the special needs individual and teach them about how to care for your animal as well as how to safely and properly show your animal at the fair. We know that your time is valuable, but we are expecting that you are able to meet with your Animal & Me partner at the practice date listed below to ensure the most positive experience for all involved.

Based on what the participants listed as their first preferences, ideally, we are looking for:

- 7 junior fair exhibitors with feeder calves
- 8 exhibitors with rabbits
- 4 exhibitors with goats
- 3 exhibitors with sheep
- 1 exhibitor with a chicken

Depending on mentor interest and availability, we recognize that participants may need to go with their second or third preference,

# 4-H Jr. Camp and Cloverbud Camp

## 4-H Jr. Camp and Cloverbud Camp Registration Open

4-H Jr. Camp will be held June 6-9 at 4-H Camp Palmer. Youth at least 8 years old and in the 3<sup>rd</sup> grade through age 13 are eligible to attend.

<u>Cloverbud Camp</u> will be held June 8 at 4-H Camp Palmer. Cloverbud Camp is open to youth at least 5 years old and in K-2<sup>nd</sup> grade (as of January 1).

Registration forms are available at the Extension office and are online at <a href="https://williams.osu.edu/camp">https://williams.osu.edu/camp</a>. Please read the information closely and be sure to complete all required forms, as well as attach a photograph to the health form. Friends who are not in 4-H can also attend camp! Make sure to register soon, as sessions are filled on a first-come, first-served basis. All Camp Registrations must be received in our office by May 24 (not postmarked by May 24).

## **Directions to 4-H Camp Palmer**

The address for Camp Palmer is 26450 Co. Rd. MN, Fayette, Ohio 43521.

Traveling North on US 127, turn right on Williams County Road O and follow the 4-H Camp Palmer and Harrison Lake State Park signs. This road turns into Fulton County Road M. Take County Rd M until it turns left on to Fulton County Road 27-1, then turn left onto Fulton County Rd 27, travel 0.5 mile, turn right onto Fulton County Rd MN and follow the signs to Camp Palmer.

## **Camp Store & Bank Available**

A Camper's Bank will be provided for those campers who wish for an Extension Staff member to take care of their money during the time at camp. It is recommended that they do not have more than \$10, and that money deposited to the Camper's Bank is in small bills. More expensive items such as t-shirts, hoodies, and sweatpants can be purchased during check-in and check-out.

The camp store will be open occasionally during free time to allow campers the option to purchase snacks and other camp items. Parents/guardians and campers are welcome to visit the store during registration and checkout to make purchases as well. View a Camp Store price list with pictures at <a href="https://williams.osu.edu/camp">https://williams.osu.edu/camp</a>.

## **Camp Mail and Communication**

Campers may receive mail via USPS or one-way camper e-mail while at 4-H Camp Palmer. One-Way Camper Email is offered for a fee by Bunk1. To set up an account and for details, visit <a href="http://go.osu.edu/campmail">http://go.osu.edu/campmail</a>. This program will print out e-mails for your camper that will be dispensed once a day with the regular mail.

Name of Camper c/o 4-H Camp Palmer 26450 Co. Rd. MN Fayette, Ohio 43521

The phone number at Camp is 419-237-2247. This is for EMERGENCY use only. There is no camper access to a phone at camp. **Absolutely no cell phones or electronic devices** are to be brought to camp.

## **Animal Science Projects**

## **Livestock Quality Assurance**

All youth planning to exhibit market animals or animals that produce marketable byproducts (eggs, milk, etc.) are required to attend annual LQA training each year (unless they have tested-out previously). This includes beef, sheep, swine, poultry, and goat projects. Market rabbit exhibitors are also required to attend the training. Youth not completing the LQA requirement will not be able to exhibit at the Ohio State fair or Williams County Fair with livestock.

# Final Opportunities for 2019 Williams County LQA:

Monday, April 29; 7:00pm, Bryan First Church of Christ May 9, 7:00 pm, Edon HS VoAg Room RSVP to Mrs. Everetts: 419-272-3213 ext 1208

Additional dates may be available in surrounding counties

## **Animal Project Possession Dates**

Possession dates are approaching for 4-H livestock and other animal projects. Exhibitors should refer to the Livestock Summary Chart at https://williams.osu.edu/projects for more project requirement information.

PLEASE NOTE: These are possession dates only and may differ from age requirements of the animal. Please also note that if you are planning to show at the Ohio State Fair, there may be differing possession dates from our county dates. Check out their website at https://ohiostatefair.com/livestock/

### **Swine Clinic & Scramble Pig Winners:**

The swine clinic will be **Saturday, May 11th at 9:30am** at the Williams County Fairgrounds in the Livestock Show Arena. You will learn about proper nutrition, housing and how to care for your swine project. If you won the scramble pig contest from the 2018 Youth Night at the fair, you will need to arrange transportation to get your pig home immediately following the swine clinic. Be sure to thank the Pork Producers for their continued support of this fun program!

| Project Type   | Possession Date   |

## **County Handbook Corrections**

Since the handbook has been printed, we've noticed some errors and wanted to share them with you in order to avoide mis-information.

- 1. Poultry, page 39, at the top of the page it mentions a July 18<sup>th</sup> pollorum date. Cross that out.
- **2. Rabbits**, page 41 at the top of the page in the box, it mentions an August 8<sup>th</sup> weigh-in. That is not correct. Scratch that out.
- **3. Sheep**, page 43 under the notes section of Sheep Breeding, it says that a member should have at least 2 registered ewe lambs—that is not a requirement.
- **4. Food Projects**: Cost per serving calculations listed on page 17 of the handbook is not a requirement. (This is noted in the Food Supplement that accompanies the food projectbooks.)

There may be more errors—as we come across those, we will try to send out corrections to keep you all in the loop.

#### **4-H Booth Theme Poster Contest**

All 4-H youth members are encouraged to submit a booth theme poster by **May 10** to the OSU Extension office. Posters are reviewed by the Williams County 4-H Advisory Council to determine a booth theme for the current year. The first place theme will be used by each 4-H Club to design and decorate their 4-H Club booth at the Williams County Fair. First place poster will win \$45.00, second place will win \$30.00 and third place will win \$15.00.

#### **Booth Poster Guidelines**

- > Standard 22" X 18" poster board
- Poster should be in color, not just black & white
- Must display an original 4-H promotion booth theme
- > Use of copyrighted slogans and characters is prohibited, but the use of the 4-H Clover is allowed.

#### **Beef Clinic**

At 11:30am following tag-in on Saturday, June 1<sup>st</sup>, there will be a Beef Clinic at the Livestock Pavilion at the fairgrounds. Youth will learn the basics of how to care for their beef project. Such items include clipping and grooming and how to show the animal. This clinic is sponsored by the Williams County 4-H Advisory Council.

## **Pullorum Testing update for 2019**

State Veterinarian, Tony Forshey from ODA sent this email out regarding pollorum testing, "Due to the fact that there is no S. pullorum antigen available for testing, Ohio is waiving the S. pullorum testing requirement for the 2019 fair season. The exception to this waiver is out of state poultry that do not have a VS form 9-3. The VS form 9-3 signifies that the poultry are from a NPIP flock that is free of S. pullorum. Ohio is currently S. pullorum free."

# **Important Dates & Reminders**

### **Livestock Forms due June 3**

- Market swine ID forms
- Dairy IDs
- Lease agreements
- Horse IDs
- Horse permission to participate
- Horse safety & ethics form (1<sup>st</sup> yr. only)

Forms should have come with your books, but additional forms are available at the office or at <a href="https://williams.osu.edu/projects">https://williams.osu.edu/projects</a>.

#### **Equine Vaccinations**

Equine exhibitors should have their horses vaccinated according to fair requirements no later than June 6.

Vaccination forms were in project books and are available at <a href="https://williams.osu.edu/horse">https://williams.osu.edu/horse</a>.

The fair vet will be available at horse measuring on June 6 for those still needing the vaccinations.

## **Required Animal Tagging**

**Saturday, June 1, 8-11 am** Williams County Fairgrounds

Tagging for market lambs, market goats, beef feeders and dairy feeders. Members are also able to receive a starting weight, if desired. Animals weighed on this date will automatically be entered in the rate of gain contests.

## **Equine PAS Registration OPEN**

Members interested in participating at the Ohio State Fair with their equine project must qualify to do so. If interested, members must register for the show(s) they plan to participate in. **Registration is due no**later than June 1.

Registration is online and can be accessed at: https://ohio4h.org/statewide-programs/animalsciences/horse/pas-shows

## **Rabbit & Poultry Clinic**

Saturday, August, 17th at 9:00am

**Rabbit Clinic** will be held at 9:30am at the rabbit barn to show exhibitors how to show their rabbits. Afterwards exhibitors can have their rabbits tattooed.

**Poultry Clinic** will be from 9am-10am and is for beginner level poultry exhibitors to learn about how to properly show your animal.

Due to the shortage of antigen, pullorum testing for 2019 fair season has been waived.

## **Equine Measuring – June 6**

6:30 -7:30 pm, Horse Barn, Fairgrounds
All equine planning to be exhibited in the Williams
County Jr. Fair are required to obtain an official height.
These heights will be used to determine if the equine
will exhibit in the horse or pony classes at the fair.
Horses measure above 58" and ponies are below 58".
Once a horse has measured 58" (or above) or has
reached 5 years of age, they do not need to return to
measuring. If this is the first time an equine will be
shown at the fair, a height measurement is required,
regardless of age.
