Dear Poultry Exhibitor,

Cooper Farms of Oakwood, Ohio is offering 5 free turkeys to each 4-H/FFA member wishing to exhibit market or breeding turkeys at the 2024 Williams County Fair. You can choose from Hens, Toms, or Straight Run (not sexed).

Additional hens, toms, and straight run (not sexed) turkeys can be ordered at the prices listed on the order form below. The turkey poults will be available for pick-up on Friday, May 10, 2024 at the OSU Extension Office from 12 – 4 PM. Please make arrangements ahead of time to pick up your order during this time period and bring a box or travel container. These will be newly hatched chicks and will need food, water, and heat as stated in the Brooding Guidelines.

Please read the Cooper Farms Biosecurity Form and sign when you pick up your order. Also, please review the Turkey Brooding guidelines BEFORE your turkeys arrive. Both forms are available on the website: <https://williams.osu.edu/projects>.

Remember, each person ordering turkeys will need to be enrolled in a turkey project by April 1. Order forms are due to the office by April 5, 2024. The form below can be filled out online, saved to your computer and emailed to schulte.182@osu.edu or they can be printed and dropped off at the office or placed in the outside mailbox.
